

Get the most from your photographs with an acrylic photo frame.

If you have photographs or pictures that you want to take pride of place on your wall, an acrylic photo frame makes a stunning choice.

Our stylish modern acrylic frames are made from two sheets of acrylic which are held together with gleaming satin chrome fixings.

They offer the perfect addition to any contemporary living or working space and will ensure your image is displayed at its best.

The digital age has meant we all take many more photos and these photographs deserve to be displayed in the finest photo frames. An [acrylic photo frame](#) allows more of the image to be visible and makes a striking addition to any wall. These frames are crystal clear and interact with the light beautifully to create texture and movement. When you are looking for something different to traditional wooden frames, the acrylic picture frame fits the bill.

Available in a range of different colours and designs. Choose bold designs to display art prints or clear designs to display your favourite photos. You can choose from a wide range of sizes too so if you want to blow up your photos you know you will be able to find the right acrylic photo frame to fit.

Acrylic frames are a great solution for corporate environments too and displaying promotional material so that it is eye-catching and attracts the attention of potential customers.

You can choose from plain acrylic photograph frames or arrange to have your company logo or a slogan added for even more exposure. These frames are very easy to put together and are also great for exhibitions or promotional events as they are lightweight and can take a wide variety of media from photos through to posters and other marketing material.

Stylish on so many levels, acrylic photo frames are here to stay and look good in modern settings as well as family homes. Simply unscrew the fixings and place your picture or photograph between the panels and then secure the fixings to create stunning framed additions to any room in your house or business premises. These frames are also very affordable compared to their more traditional counterparts and look good either on their own or amongst a collection of contrasting frames.

Remember we offer a great variety of styles of photo frames & you can choose from a multitude of different colours and sizes or mix and match for ultimate impact.

Whether you want to display a special photo of a loved one or your latest promotional poster, an acrylic picture frame makes a great solution.
